

Application No.: 09/896,873  
Amendment dated April 26, 2004  
Reply to Office Action of April 8, 2004

### **REMARKS**

An Interview was conducted between Examiner Kielin and Applicants' representative Mark Dodd on April 13, 2004, concerning the change of inventorship with the indication that Jun Yamada was not a co-inventor of the elected species. An Interview Summary dated April 14, 2004 shows that the Petition to Change Inventorship dated November 24, 2003 was in fact acceptable. Applicants' represented wishes to extend his thanks to Examiner Kielin for his diligence in determining the Petition to Change Inventorship was effective.
